

ACE Tiverton: Action and Communication Expectations

These expectations apply to all members of our community and our visitors. We come to school to feel safe, cared for and supported. These expectations apply to students and staff whenever they are in contact with each other, including face to face, on the 'phone and via social media – inside or outside of school hours. If our experience is different to this then we speak up and share our worries with an adult that we trust.

At ACE Tiverton we expect everyone to act with respect and kindness.

- ✓ Treating others as we wish to be treated.
- ✓ Using our environment and resources in a calm and safe way.
- ✓ Staying outside of other people's personal and intimate spaces.
- ✓ Holding doors open if there is someone walking through them.
- ✓ Working to the best of our ability, every lesson, every day.

At ACE Tiverton we expect everyone to communicate with respect and kindness.

- ✓ Speaking calmly and at an appropriate volume.
- ✓ Taking turns in a conversation, even if the topic isn't very interesting to us.
- ✓ Always saying hello or smiling when you see someone, even if you've seen them before.
- ✓ Offering to help if you see someone struggling.
- ✓ Using your words to express your feelings before they become overwhelming.

If this is not possible, we will provide support for you. Please speak to any adult who will help you find a solution or the most appropriate person to support you.

We can't solve a problem we don't know about. There are rewards for meeting these expectations and if you are struggling, we will help you to practice these ways of communicating and acting.
